Proud to Support the Corbeau Seats Rally Tendring & Clacton 2020.

MGJ Engineering is a leading engineering service supplier for manufacturing industries. Our workshop is located in Moss Road, Witham Essex. We can provide a nationwide service across the UK. We have over 30 years of experience in Fabrication of metal parts, precision engineering, tool making and over 20 years of experience in maintenance engineering services.

We offer a range of engineering services from general maintenance and fabrication to precision made items, with the ability to bring a solution to most engineering needs or issues.

We can provide welding services both on and off site using a number of different types of portable welding plants. We can weld in tig, mig and arc - with the following materials; Mild steel, aluminium, and stainless steel.

Fabrication: Including machine parts and guarding, spa's, walkways, platforms, stairs, work benches security fencing, grills and access gates, change part boards and change part trolleys.

We have ISO9001 accreditation and are audited and approved by the safe contractor organisation.

If you think we can help or assist in anyway send us an email or call us.

We would also like to thank our sponsors: IMJ Building services, and Brooks-Harper Recruitment and also our technical partner: SR Motor works.

INTRODUCTION

Welcome to the Rally Guide which is an overview of accommodation, restaurants and other facilities available in the Tendring area to aid in your planning for the 2020 event.

The support of the community is essential to the future of the rally so we strongly encourage you to support these local businesses during your stay and to make sure they know you are visiting because of the rally!

We have also included an overview map of the Clacton Service area and an indicative Event Itinerary to give you a feel for how the event will unfold.

We look forward to seeing you in Tendring in April.
